

ATTENTION Village of Lincolnshire UNION MEMBERS!

Months after formally endorsing Gov. Bruce Rauner's awful turnaround agenda for Illinois, Lincolnshire officials are going further by moving to establish the town as a right-to-work zone.

WE CAN'T LET THIS HAPPEN!!!!

**Join your Union Brothers and Sisters at the
Lincolnshire Village Board Meeting on
Monday, December 14, 2015
at 7:00 PM**

**Village Hall Public Meeting Room
One Olde Half Day Road Lincolnshire, IL 60069**

Governor Rauner's dangerous plan, if enacted, will result in lower wages, increased unemployment and decreased union membership, among other concerns.
Let the Village know that right-to-work is WRONG for Lincolnshire.
